### Death of Mrs. Warren.

Mrs. Arthur Warren died at her  
home on Main Street, at 2 p. m., Sun-  
day. She had not been in good  
health for a long time, but since  
October last she has been a great,  
but a most patient sufferer, from a  
heart trouble, that finally culmi-  
nated in dropsy.

Mrs. Warren was a daughter of the  
late Hugh Morgan, and almost her  
entire life of 41 years has been spent  
here in Morrisville, where by her  
gentle quiet ways and noble charac-  
ter she has won the respect and  
esteem of all who knew her.

The funeral was held from her late  
home on Tuesday at 2 p. m., R. V.  
1 P. Booth officiating, assisted by

### Morrisville to Entertain S. S. Convention.

ville. State Secretary, Rev. Geo. L.  
Story, who was here recently to ar-  
range for this event gave assurance  
that the next meeting would be held  
here if the invitation was extended.

Last Sunday morning at the M. E.  
church the vote in regard to the mat-  
ter was unanimous in favor of ex-  
tending the invitation, and a com-  
mittee composed of Hon. G. A.  
Morse, Mrs. A. A. Niles and Mr. Isaac  
Drowne were appointed to confer  
with a similar committee from the  
two other three churches and a formal  
invitation will be extended to the  
officials. At the Congregational  
church the vote was also unanimous  
and a committee composed of A. H.  
Slattery, Mrs. H. R. Blodgett and  
Miss Mary Fisk were appointed. On  
account of the small congregation the  
Universalists did not take any  
vote, but will at later date and un-  
doubtedly will join the others in a  
unanimous vote.

### Of Interest to Grangers.

Grange meeting was held in their  
hall. The usual good program was

anniversary at the home of Mr. and  
Mrs. Levi Gile on the Laporte road,  
on Thursday, Feb. 6. Let all

sent.

and instrumental music, readings,  
etc. Good music will be furnished

ments to be given under the auspices  
of Lamoille Grange. Tickets for the  
course, 50 cents.

The meetings on Thursday after-  
noon, Feb. 13, and the evening meet-  
ing, which is Feb. 21, are to be om-  
itted this month. Also the date of the  
last regular meeting in February, is  
changed to Feb. 20, when the work  
of the first and second degree will be  
done. Grangers should notice these  
changes of date and plan to work  
accordingly.

### The Closing Number.

The next and last entertainment in  
the Business Men's Course comes on  
Thursday evening, Feb. 13. Hon.  
G. A. Gearhart needs no introduction  
to a Morrisville audience, having ap-  
peared in the course last year, giving  
his lecture on "The Coming Man,"  
which was conceded by all to have  
been the best number in the course  
and one of the best lectures ever heard  
here. His other lectures are equally  
popular with the one given last year.  
The following is taken from a western  
paper:

In his lecture at the opera house Tuesday  
evening on "The Dawn of the Twentieth  
Century" Hon. G. A. Gearhart more than  
sustained the reputation he made on his first  
appearance here a year ago. It is conceded  
by all who heard it, to have been one of the  
best lectures ever delivered in Wilmington,  
and we have had the cream of the lecture  
platform.

"Jud" Warren received a bad sprain  
to one ankle while going down a flight  
of stairs at the slaughter house Fri-  
day afternoon, and is confined to the  
house.

An interesting communication re-  
ceived this morning would have been  
answered had the writer signed his  
name. We can not answer questions  
or give place to communications that  
are unsigned. See?

A. N. Harlow died yesterday after-  
noon at his home in Morrisville,  
from the effects of gangrene poison-  
ing. The funeral will be held to-mor-

officiating. He leaves a son and two  
daughters to mourn his loss.

occur "a matrimonial alliance" in  
which a well known young lady  
boarder and a bright young physi-  
cian from the southern part of the  
state will unite their destinies.

A party who lost his pocketbook  
left an advertisement for the same  
with the News and Citizen. Before  
the paper was out, he called in and  
said he had found it. Moral: Adver-  
tise in the News and Citizen to get  
best results.

Hyde Park, \$5.83; Arthur Wood,  
Cambridge, \$8 00.

"Breezy Point" is the name A. H.  
Keeler has given his place out on

make its presence known it is at his  
place—hence the name.

effect upon him.

Notwithstanding the severe storm  
Monday, Phon Boyes and the "Blue

good shape at an early hour. The  
same can also be said of the streets,  
which were rolled quite early by Cur-  
rier and his fair partner.

Arthur Grimes was 21 years old  
February 1. He is now husking for  
himself, writing insurance and look-  
ing after his personal interests, which  
are many. He is already of the opin-  
ion that there are many "crooks and  
'urns" in this life which a minor  
knows nothing about.
